3. The following table compares the Irrigation revenue assessed for the year 1921-22 with the area irrigated and protected :—

Sub-Collectorate.	Irrigation Revenue assessed.	AREA IN ACRES.			Assessment per acre.
		Irrigated.	Protected.	Total.	
	Rs.	Rs.	Rs.	Rs.	
Ajmer	37,090	5,953	1,423	7,376	5.02
Beawar	31,046	2,583	5,423	8,006	3.87

Total for 1921-22	1,08,234	16,660	6,771	23,431	4.61

The Irrigated Revenue assessed includes all assessments due to protected as well as irrigated areas, and also the fixed yearly assessment of

(a) Rs. 35,798 on crops irrigated from wells, and

(b) Rs. 7,395 on account of difference between dry and wet rates.

Of the area irrigated 5,943 acres were cultivated under *Kharif* and 3,881 acres under *Rabi* as compared with 10,168 and 6,492 acres, respectively, in 1921-22.

No remissions were made during the year under report.

The outstandings of revenue demand at the end of 1922-23 aggregated Rs. 22,345.

4. The working expenses were distributed as follows :—

Details of working expenses.	1921-22.	1922-23.	Increase (+) or Decrease (—).
	Rs.	Rs.	Rs.
Extensions and Maintenance	70,821	75,962	+5,141

Audit and Account Establishment	708	760	+52
	1,15,299	1,26,049	10,750

The working expenses per acre irrigated and protected rose from Rs. 4.92 in 1921-22 to Rs. 6.77 in 1922-23. The increase is due to the area irrigated in 1922-23 being less than that of the previous year by 4,822 acres and to more expenditure to the extent of Rs. 10,750 mainly in the Ajmer and Todgarh Sub-Collectorates.

5. The value of crops raised on 18,609 acres during 1922-23 was estimated at Rs. 6,61,016. The principal crops were cotton, barley, maize, mixed grains and wheat, and their estimated values were Rs. 2,04,211, 1,05,239, 1,47,014, 72,694 and 56,750 respectively.

6. During the year experiments were made to ascertain the outturn of cotton, maize and gujji (barley and wheat) in the Ajmer Tehsil and maize in the Todgarh Tehsil. The results are shown in statement No. VI attached, prescribed under rule 49 of the Irrigation Rules.

Ordered.—That this review, together with the papers read in the preamble, be printed and 12 copies furnished to the Government of India under a covering letter and 2 advance copies each to the Public Works and Revenue and Statistics Departments of the India Office.
